WORCESTER YOUTH AND FAMILY COUNSELING SERVICES ANNUAL REPORT 2018

Friends of Worcester Youth and Family Counseling, There are times in all our lives when we need the help of others: when a parent becomes ill, a child struggles academically or socially, a sibling experiences a financial crisis, a friend encounters a life-changing event, a family member is affected by mental illness. Worcester Youth and Family Counseling Services is here to support individuals and families through life's most difficult events.

Supporting Organizations

Programs and services offered by WYFCS would not be possible without the support of the community. Numerous businesses and individuals step forward to help through volunteerism and personal donations. Please join them in helping build strength in our community, and thank you so much for 43 years of ongoing support.
